CHEESE FOR THE COGNOSCENTI

The exquisite formula that sets the Parmigiano-Reggiano cheese apart from its rivals has remained unaltered for more than seven hundred years. It enjoys the distinction of being recommended by gastronomic connoisseurs and dieticians alike, being on the one hand of unparalleled flavour and on the other light and easily digestible. This 'true aristocrat among cheeses' is delightful in recipes, alone or accompanied by fruit. The characteristic Parmigiano-Reggiano logo imprinted onto the cheese sets it apart from mere imitations, giving it a true seal of quality.
