Dear Sir,

Glad to receive you mail including pictures and exhibition information. I am just waiting for the second time of your mail. With reference to your fax dated 12 September, I would like to reply as below:

- 1) My e-mail address is zhaolihong0907@vip.sina.com.
- 2) Address of Art Gallery of Institute of Chinese Arts is: 54 Rd. Xisanhuan Beilu, Haidian District, Beijing
- 3) Exhibition will be held in Art Gallery and exhibited works are allowed to be on sales.
- 4) I am just checking the accommodation information in Beijing and will inform you soon.
- 5) I am also contact travel agency for arranging your tour after exhibition and will inform you the result soon.

We have transferred your materials to the editors of art album and discussed with their designers. Now we need you to clarify the following questions:

- 1) In your mail there is no portrait or working photos for printing in the art album.
- 2) Please make sure if you want to use the photos that you sent me for formatting and printing. If you have digital disk or reversal photos (slide photos), please send me because the printing effects would be better if we use latter material.
- 3) If you have, please send us an critic article on your works so that we can translate it into Chinese and insert it into the art album. Thus Chinese visitors would be know more about you.

I am looking forward to your soonest feedback.

Best regards.

Yours faithfully,
Zhao Li
