Born 1943 in Poland, later he became an Austrian citizen. Since 1980 he is living with his wife in Liechtenstein. He studied theology, philosophy and the science of education in Poland and Austria (final examinations in Innsbruck: masters degree of theology). He worked in Poland, Austria, Liechtenstein as a teacher of religion and is now in retirement. Adam Glinski is painting and writing since his youth. His pictures are often reflected by short texts (word-pictures). His works were presented in the last years in Liechtenstein (Triesen), Germany (Mannheim, Baden-Baden), Austria (Graz, Salzburg), France (Strasbourg, Colmar). With his literary texts he participates in different competitions in Germany and Austria since 2008. His painting is moving between abstract and figurative and gives rooms for different interpretations of contents and intentions. In his painting and writing he is looking for the deeper sense.
