Lawrence Gallery is pleased to present "Odyssey", the second U.S. exhibition of works by the contemporary artist and weaver Artemis. The first exhibition in the U.S. for this exciting show was at the Onassis Cultural Center in New York City. Consisting of a series of twelve abstract tapestries, these works are based on the characters and plot of Homer's "The Odyssey", as well as a contemporary interpretation of the epic, "The Odyssey: A Modern Sequel" by Nikos Kazantzakis. The tapestries will be exhibited through April.
