MESSAGE:

It is with great pleasure that I take this opportunity to inform you that *GLOBAL ART 2000* has been adopted by the United Nations Department of Public Information in celebration of next years U.N. theme "Dialogue Among Civilizations". As the most culturally diverse art exhibition tour in history, with the participation of more than 100 UN Member States, *GLOBAL ART 2000* will represent a Dialogue Among Civilizations through the International Language of the Arts in Celebration of Global Communication.

Since the launch/opening of the exhibition has been delayed for a few months due to a very positive reason we have adjusted the submission deadlines for the last and final time. Please take note of the following date changes:

- *GLOBAL ART 2000* premieres at U.N. headquarters on 15 October 2001 thru 22 November 2001, these dates will coincide with all other celebrations and press conferences around United Nations Day.
- The National Tour tour is scheduled to begin January 2002 in the city of Atlanta.
- Deadline for any final submissions is 15 January 2001.
- Final Jury Selection is 31 January 2001.

I would like to extend my appreciation for your cooperation and patience and my gratitude for your efficiency in completing all of the submission requirements.
